

Plain Language Summary of Financial Assistance Policy
for Southern Regional Medical Center

Eligibility: Southern Regional Medical Center offers reduced or no charge services for emergency and other medically necessary care for individuals eligible under our Financial Assistance Policy. Eligibility is based on the Hospital's Financial Assistance Policy, which includes using the Federal Poverty Level guidelines, number of dependents, and gross annual income along with supporting income documents.

Income Guidelines: If meeting the Hospital's Financial Assistance Policy requirements, uninsured patients with family income below 125% of the current Federal Poverty Level and less than \$10,000 in monetary assets will qualify for a 100% discount on their qualifying Hospital services. Uninsured patients with family income greater than 125% but less than 300% of current Federal Poverty Level and less than \$10,000 in monetary assets, and insured patients with family income less than 300% of current Federal Poverty Level and excessive medical costs, may qualify for partially discounted care and extended payment plans. Patients eligible for financial assistance will not be charged more than the amount generally billed for emergency or other medically necessary care to individuals having insurance coverage.
